1 Trying to walk in the steps of the Savior
Trying to follow our Savior and King
Shaping our lives by His blessed example
Happy how happy the songs that we bring

* How beautiful to walk in the steps of the Savior
Stepping in the light Stepping in the light
How beautiful to walk in the steps of the Savior
Led in paths of light

2 Pressing more closely to Him who is leading
When we are tempted to turn from the way
Trusting the arm that is strong to defend us
Happy how happy our praises each day

3 Walking in footsteps of gentle forbearance
Footsteps of faithfulness mercy and love
Looking to Him for the grace freely promised
Happy how happy our journey above

4 Trying to walk in the steps of the Savior
Upward still upward we'll follow our Guide
When we shall see Him the King in His beauty
Happy how happy our place at His side
