The key signature is one flat (B-flat), and the time signature is 4/4. The melody is written in the treble clef, and the bass line is written in the bass clef. The lyrics are written below the treble staff. The piece ends with a double bar line.

## **Nothing Is Impossible**

Composer: Eugene L. Clark

I read in the Bible the promise of God  
That nothing for him is too hard;  
Impossible things he has promised to do  
If we faithfully trust in his word.

Chorus:

Nothing is impossible when you put your trust in God,  
Nothing is impossible when you're trusting in his word;  
Hearken to the voice of God to thee,  
"Is there anything too hard to me?"  
Then put your trust in God alone and rest upon his word,  
For ev'rything, O ev'rything!  
Yes ev'rything is possible with God!

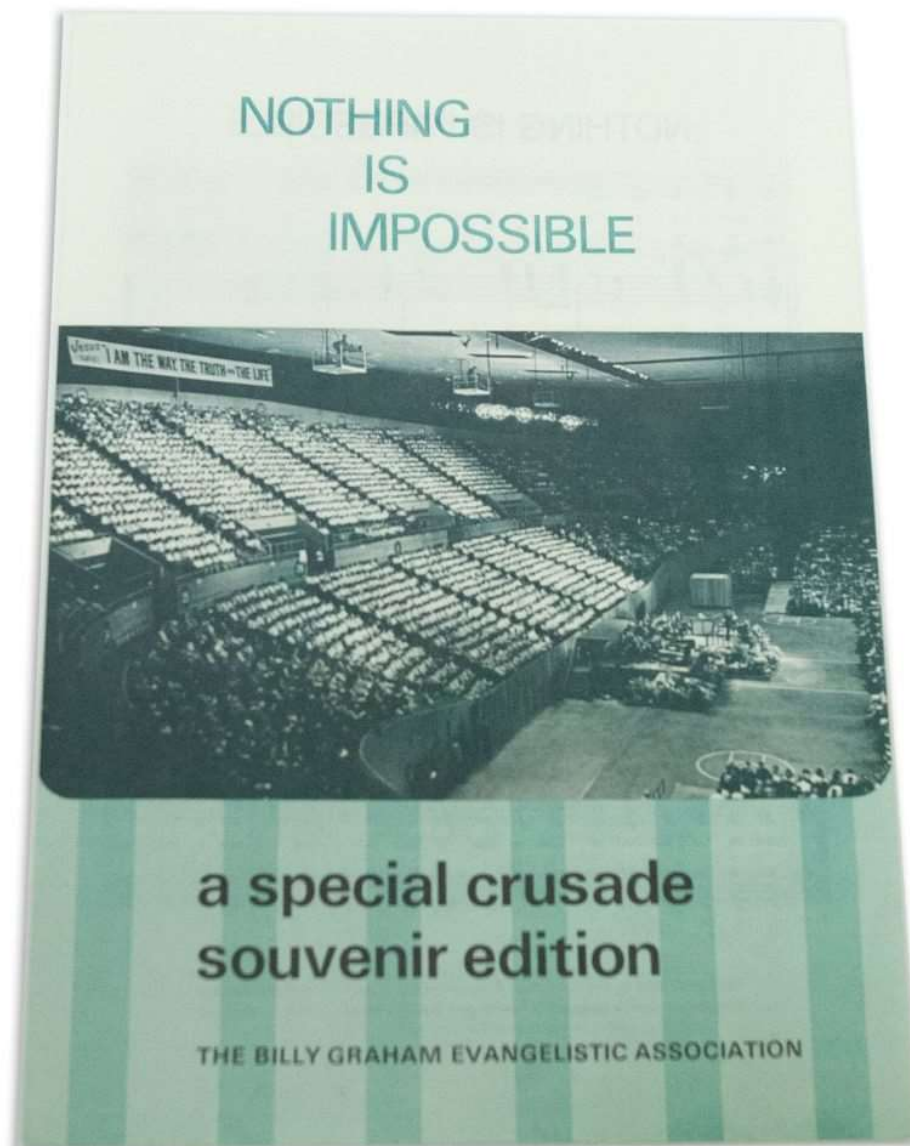

The word of the Lord is an anchor secure  
When winds of uncertainty blow;  
Tho man in his weakness may falter and fail,  
His word will not fail us we know.

'All things are possible,' this is his word.  
Receive it, 'tis written for you:  
Believe in his promises, God cannot fail,  
For what he has said, he will do.

Creator of all things, with infinite pow'r.  
He spoke! They appeared by his mouth;  
Impossible things are not known unto him,  
He made us, he ruleth the earth.

God can use us for His glory despite our own personal limitations. His vision for us is so much bigger than the vision we often have for ourselves. Billy Graham's Crusades sometimes featured music written by Eugene Clark, who was partially blind and severely crippled with arthritis.

**Our archives feature this month is special *Crusade souvenir edition* sheet music from 1966 for the song, "Nothing is Impossible," written by Eugene Clark. On the back are pictures of Billy Graham, Cliff Barrows, George Beverly Shea, and Tedd Smith.**

## NOTHING IS IMPOSSIBLE Eugene L. Clark

"Nothing is impossible when you put your trust in God" wrote Eugene Clark at his home in Lincoln, Nebraska, though partially blind and severely crippled with arthritis. The song became an immediate favorite with Billy Graham Crusade choirs and television audiences.

A hymn was Eugene's introduction to Jesus Christ many years ago. Since then he has used his music to show others the Way.

Eugene has composed 50 other Gos-

pel songs and three cantatas, produced over 20 albums, arranged four choir books, and written a textbook on playing hymns.

During his illness of the past five years, Eugene has used a dictaphone instead of a piano and pencil. He dictates the lyrics and score to an assistant who records the notes on paper and then plays back the entire song—the result of what a man can do who knows nothing is impossible.
